# NECA

NECA (National Entertainment Collectibles Association) est l'un des acteurs majeurs dans la création, la promotion et la distribution mondiale de produits dérivés sous licence inspirés des personnages les plus emblématiques de la pop culture.

Fondée en 1996, NECA est connue et reconnue pour la création de figurines de qualité, appréciées pour leur fidélité aux personnages qu'elles représentent ainsi que pour leur réalisme et leur souci du détail.

Tout a commencé avec la création de figurines de certaines des icônes du Slasher comme Michael Myers, Jason Voorhees et Freddy Krueger, des personnages de niche comme Sam de Trick 'r Treat, puis Alien et Predator, pour finalement devenir une des plus grandes gammes d'action figures au monde pour ces licences.

Au cours des années qui ont suivi sa création, NECA s'est énormément développé, dominant le secteur de la figurine de films d'horreur, tout en devenant une référence incontournable avec ses produits dérivés des licences emblématiques de la pop culture comme les Tortues Ninja, Gargoyles, Chucky, Universal Monsters et bien d'autres...
